In the references read above, the Vice Chairman & Managing Director, A.P.S.I.D.C. Ltd., has stated that in GO Ms.No.118, I &CAD Dept, Dated 31.7.2003 administrative approval was accorded for Nallagonda L.I. Scheme on Moyethummeda River in Thimmapur Mandal of Karimnagar District for Rs.189.88 Lakhs to irrigate 600 acres under RIDF-VIII. As per original proposals Control Room was proposed at Manifold point. Later it was ascertained that the location of IF wells, Manifold are falling in the MDD of LMD Reservoir. Therefore it has become inevitable to shift the Control Room above FRL conditions of LMD reservoir and to lay over head lines instead of cables. The existing OH lines of 9.10 M and 8.00 M (laid for 5 pump sets in three wells) are submerged in the foreshore of LMD reservoir due to the FRL being 9.15 M of Moyethummeda River. Therefore it was suggested to replace with 13 M long PSCC spun poles to the extent of submergence area.

2. Further the Vice Chairman & Managing Director, APSIDC has stated that the agency M/s Kakatiya Cement Products has completed the balance works of Nallagonda LIS along with the original works by 11.11.2009 pending receipt of funds for balance works by Govt., and the L.I. Scheme was commissioned and handed over to the beneficiaries committee on 13.11.2009. Hence, the Vice Chairman & Managing Director, APSIDC Ltd., has requested to accord administrative approval for Rs.15.00 lakhs.

3. Government, after careful consideration of the proposal, hereby accord administrative approval for an amount of Rs.15.00 lakhs (Rupees fifteen lakhs only) for the balance works such as OH lines with 13 M poles, Commissioning of pump sets in Stage I, finishing works in Control Room, Delivery cistern, Zero Velocity Valve Chamber in Stage II, M.S. Specials in Gravity mains and etc., in Nallagonda L.I. Scheme on Moyethummeda River in Thimmapur Mandal of Karimnagar District.
